

AIR EDUCATION AND TRAINING COMMAND (AETC) ENVIRONMENTAL SERVICES CONTRACT

AETC and Weston Solutions, Inc.

AIR EDUCATION AND TRAINING COMMAND ENVIRONMENTAL SERVICES CONTRACT

Contract Number:	FA3002-07-D-0014
Program Ceiling:	\$200 Million
Duration:	10 years
Contract Type:	Lump Sum/Fixed Price, ID/IQ (No Service Fee)
Government POC:	C.O. Carmen Minerva, 210-652-7839
Services:	Environmental services in support of environmental facility and infrastructure programs

Since 2001, Weston Solutions, Inc. (WESTON®) has been privileged to be awarded two successive AETC A-E Environmental Services contracts. In that time, WESTON has been awarded over 250 task orders and has performed work at all 12 AETC installations. These contracts allow WESTON to continue to provide technical environmental services in support of environmental facility, infrastructure, and energy programs at AETC bases and other Department of Defense installations and facilities.

Contractor support has been applied to a wide range of environmental services, including:

- Pollution Prevention
- Solid Waste and Hazardous Waste Management
- Air Pollution Monitoring
- UST/AST Management
- Natural/Cultural Resources Protection

For environmental remediation projects, contractor support has included:

- Risk Assessments
- Investigations and Engineering Feasibility Studies
- Remedial Design
- Interim Removal and Remedial Actions
- Facility Operations and Maintenance
- Bench/Pilot Studies

Other specialized services have included UXO assessments, NEPA support, environmentally related emergency response, and environmentally-related design.

THE WESTON SOLUTIONS TEAM

EFFECTIVE, EXPERIENCED, ACCESSIBLE
