

# TRANSMITTAL SHEET

## Environmental Engineering Section

US Army Corps of Engineers  
Sacramento District

---

**TO:**

Head Librarian – Susan Maldonado  
Eastmont Public Library  
7200 Bancroft, Ste 211  
Oakland, CA 94605  
(510) 615-5726

**DATE:** 17 October 2017

**PROJECT:** Leona Heights Rifle Range MRS

**THE ENCLOSED DOCUMENTS ARE BEING TRANSMITTED TO YOU FOR:**

☐ REVIEW & COMMENT      ☒ COORDINATION      ☐ APPROVAL  
☒ INFORMATION

**DOCUMENTS ENCLOSED:** CD copy of the Final Leona Heights Feasibility Study Report for the Information Repository established at the Eastmont Public Library.

**REMARKS:**

Hello Susan (head librarian), this document should be placed with other government documents so that the interested public can learn about the California Army National Guard's (CAARNG) remedial investigation (RI) at the Leona Heights Rifle Range Munitions Response Site (MRS).

Please direct all questions relating to the project to:

Reuben Sendejas  
Environmental Cleanup Specialist  
10620 Mather Blvd  
Mather, CA 95655  
Email – [reuben.r.sendejas.nfg@mail.mil](mailto:reuben.r.sendejas.nfg@mail.mil)  
Phone – 916 369-4388

Thank you for your cooperation, Jim.

Jim Lukasko  
Environmental Engineer  
Attn: CESP-K-ED-GE
