

## A SELF-PERFORMING SMALL BUSINESS JOINT VENTURE DELIVERING SUPERIOR, FULL-SPECTRUM, ENVIRONMENTAL AND REMEDIATION SERVICES

The **CAPE-Weston Joint Venture** was formed through a Small Business Administration (SBA) Mentor-Protégé (M-P) relationship under NAICS Code 562910. Both CAPE and Weston are high-performing firms with track records of delivering cost-effective, high-quality environmental solutions. Together, our organizations have a combined history of 90+ years providing a broad range of environmental planning, investigation, and remediation services to federal, municipal, and industrial clients at CONUS and OCONUS locations.

Our Team's ability to self-perform HTRW and munitions response work ensures responsive, cost-effective, high-quality results for our clients; providing a "one-stop-shop" from project inception to closeout for added convenience, and schedule and cost control. We have delivered quality results to meet both routine and time-critical environmental response needs nationwide.
