

TEKSOL-WESTON JV, LLC

## TEKSOL-WESTON JOINT VENTURE

The Teksol-Weston JV, LLC is a Small Business Administration (SBA) certified 8(a) Small Disadvantaged Business (SDB) providing exceptional self-perform Design-Build (DB) and Design-Bid-Build (DBB) construction services, as well as recurring maintenance and repair services. This seamlessly operating partnership combines the strengths of the Mentor-Protégé Joint Venture (JV) team of Teksol Integration Group, Inc. (Teksol) and Weston Solutions, Inc. (Weston) to deliver superior results for federal and other government, as well as commercial clients.

Teksol, as managing partner and protégé, brings a dedication to quality and a commitment to program goals as a certified SDB with nearly 15 years specializing in power, controls, and

automation for regulated (pharmaceutical, medical, food/beverage) industries and federal (DoD, VA) agencies. Weston is a large business with 65+ years' experience delivering environmental and infrastructure projects and services to a strong federal government and commercial clientele. The JV's proven construction delivery model leverages national program and regional project management, with local field construction and superb integrated teams of suppliers and specialty subcontractors to provide consistent enterprise delivery. The Teksol-Weston JV, LLC offers small business responsiveness and laser focus, with the resources and experience of a larger firm.
