

GSA OASIS+ UNRESTRICTED CONTRACT

ABOUT WESTON SOLUTIONS

Weston Solutions, Inc. is a large, 100% employee-owned national environmental and infrastructure services firm with a 65+ year history serving government, industrial, and commercial clients. Weston has completed more than 9,000 projects valued at \$9.5B over the past 20 years. Our expertise spans a wide range of services and geographies, making us the preferred partner for complex and critical projects.

GSA OASIS+ UNRESTRICTED CONTRACT

The GSA OASIS+ (One Acquisition Solution for Integrated Services) contract is a government-wide vehicle designed to provide comprehensive and flexible solutions for various professional service requirements. Key features of this contract include:

- **Versatile Usage:** OASIS+ can be used by any federal agency for market research, issuing solicitations, and making awards.
- **Expedited Procurement:** The streamlined acquisition process and directed awards for exceptions to Fair Opportunity significantly reduce procurement time.
- **Cost-Effective Access:** OASIS+ offers the most cost-effective access to proven best-in-class federal contractors, with contract access cost of 0.15%.
- **Flexible Contracting:** Ordering Contracting Officers have the flexibility to choose from multiple contract types (e.g., Fixed Price, Cost Plus Fixed Fee, Cost Plus Award Fee, Cost Reimbursement, Time & Materials, Labor Hour, and hybrid) and pricing at the order level.
