

AN 8(a) SMALL DISADVANTAGED BUSINESS

AEC-Weston JV, LLC (AEC-Weston) is a prime contractor for the U.S. General Services Administration's One Acquisition System for Integrated Services Plus (OASIS+): a suite of government-wide, multi-award contracts developed to support procurement requirements for services-based solutions.

KEY FEATURES

- OASIS+ can be used by **any federal agency** for conducting market research, issuing solicitations, and making awards, and provides for **expedited procurement time**.
- With SBA approval, the 8(a) contract may be used for **sole source awards** up to \$100M for DoD agencies, and up to \$25M for civilian agencies, streamlining the procurement process.
- OASIS+ helps agencies **meet socioeconomic goals** for small and disadvantaged businesses.
- OASIS+ offers the most **cost-effective access** to proven best-in-class federal contractors, less than one percent (0.15%).
- OASIS+ provides flexibility for **implementing multiple contract types** (e.g., Fixed Price, Cost Plus Fixed Fee, Cost Plus Award Fee, Cost Reimbursement, Time & Materials, Labor Hour, and hybrid).

SOLE SOURCE CONTRACTS

As an 8(a), disadvantaged business, AEC-Weston can be awarded contracts directly through OASIS+, enhancing our ability to deliver exceptional environmental services with efficiency, supporting government agencies' mission-critical goals as a best-in-class solutions provider.

BUYER'S GUIDE

AEC-WESTON JV, LLC

AEC-Weston is an SBA-certified 8(a) small, disadvantaged business designed and built to deliver quality, high-end technical environmental services. This joint venture combines the strengths of the Mentor-Protégé team of Aerostar Environmental and Construction LLC (AEC) and Weston Solutions, Inc. (Weston). AEC-Weston is recognized by GSA as a best-in-class contractor with proven technical and organizational capabilities, justifying streamlined procurement access via OASIS+ contracts.

EFFICIENT, COST-EFFECTIVE MEANS TO MEET ENVIRONMENTAL OBJECTIVES
